

Millennials:

The Workforce of **the Present** and **the Future**

Millennials are the largest generation in the U.S. workforce today.

Millennials will make up $\frac{3}{4}$ of the global workforce by 2025.

How are they Different?

Surveyed employers describe millennial workers as ...

56% technically savvy/resourceful

41% entitled

31% educated

28% idealistic

Surveyed millennials described their own generation in the workforce as...

54% technically savvy/resourceful

39% innovative

35% educated

32% hard-working

Compared to most recruiting organizations, high-performing talent acquisition leaders are:

124% more likely to identify Millennial recruitment as a top priority.

28% more likely to have goal-driven Millennial recruitment strategies.

Are you positioning your organization for **talent and business success?**
